

January, 2017

Dear Slip Holder,

Enclosed you will find a Slip Rental Agreement for the upcoming boating season. In order to reserve your slip, we ask your cooperation in signing the back and front of the Agreement and return to us by February 1st. Slip rental payments are due in full by March 1, 2017. If you are not renewing for 2017, let us know as soon as possible. It is important that we receive your contract and payment by the due dates. We have a few smaller slips available for lease but the demand for larger slips remains high. If we do not receive your contract by the due date, we have the option to rent the slip to someone on our waiting list.

The spring rate sheet and checklist for work requests are included in this mailing. Please complete the checklist and return it to us. Spring work will be scheduled as we get the checklists.

We greatly appreciate your past patronage and we look forward to an enjoyable year in 2017.

Best regards,

Ron Sinclair
Owner/Manager
