Dear CPFCU Member,

Congratulations on paying off your Chattel Loan. Enclosed you will find the Security Interest Filing for the collateral on the loan.

As I am sure you know, Maryland is a two part title system for boats as well as vehicles that have lien placed on them. When filing for a clear title thorough the Department of Natural Resources, you should have the Statement of Title, and the released Security Interest Filing, from the Lienholder.

A lien free Statement of Title exhibits to prospective buyers that the boat belongs to you alone, and make selling or trading the boat much easier. The same information applies to boat trailers. The trailers are titled by the Motor Vehicle Administration, and you will file with the MVA to receive a clear Certificate of Title.

Title Clerk
